Print edition only: \$2184/£1455/€2184

### Personal

Print edition: \$476/£317/€476

Please note: € rates apply in Europe, \$ in the US, and £ in the UK and elsewhere. Payment for orders to be delivered within Europe should be made in €.

There are other subscription rates available; for a complete listing, please visit [www.toxsci.oxfordjournals.org/subscriptions](http://www.toxsci.oxfordjournals.org/subscriptions).

Full pre-payment in the correct currency is required for all orders. Payment should be in US dollars for orders being delivered to the USA or Canada; Euros for orders being delivered within Europe (excluding the UK); GBP sterling for orders being delivered elsewhere (i.e. not being delivered to USA, Canada, or Europe). All orders should be accompanied by full payment and sent to your nearest Oxford Journals office. Subscriptions are accepted for complete volumes only. Orders are regarded as firm, and payments are not refundable. Our prices include Standard Air as postage outside of the UK. Claims must be notified within four months of despatch/order date (whichever is later). Orders from the UK will be subject to a 17.5% VAT charge. For orders from elsewhere in the EU you or your institution should account for VAT by way of a reverse charge. Please provide us with your or your institution's VAT number. If registered, please supply details to avoid unnecessary charges. For subscriptions that include online versions, a proportion of the subscription price may be subject to UK VAT. Subscribers in Canada, please add GST to the prices quoted. Personal rate subscriptions are only available if payment is made by personal cheque or credit card, delivery is to a private address, and is for personal use only.

The current year and two previous years' issues are available from Oxford University Press. Previous volumes can be obtained from the Periodicals Service Company, 11 Main Street, Germantown, NY 12526, USA. E-mail: [psc@periodicals.com](mailto:psc@periodicals.com). Tel: (518) 537-4700. Fax: (518) 537-5899.

## DRUG DISCLAIMER

The mention of trade names, commercial products or organizations, and the inclusion of advertisements in the journal does not imply endorsement by the Society of Toxicology, the editors, the editorial board, Oxford University Press, or the organization to which the authors are affiliated. The editors and publishers have taken all reasonable precautions to verify drug names and doses, the results of experimental work, and clinical findings published in the journal. The ultimate responsibility for the use and dosage of drugs mentioned in the journal and in interpretation of published material lies with the medical practitioner, and the editors and publishers cannot accept liability for damages arising from any errors or omissions in the journal. Please inform the editors of any errors.

## DISCLAIMER

The author(s) of each article appearing in this journal is (are) solely responsible for the content thereof and for compliance with the journal's policy with respect to research involving human subjects; the publication of an article shall not constitute or be deemed to constitute any representation by the Editors, the Society of Toxicology, or its Boards that the data presented therein are correct or are sufficient to support the conclusions reached or that the experiment design or methodology is adequate. Furthermore, the Society of Toxicology can assume no responsibility for an individual's failure to comply with the journal guidelines regarding conflict of interest disclosure.
